

# Box Love: A Novel of Letters That Will Make You Believe in Love Again

In a world where technology has made it easier than ever to stay connected, it's easy to forget the power of a handwritten letter. But Box Love, a novel by Kiera Cass, reminds us that there's something truly special about putting pen to paper and sharing your thoughts and feelings with another person.

The novel tells the story of Henry and Beatrice, two strangers who begin writing letters to each other after meeting at a party. At first, their letters are filled with small talk and polite inquiries. But as they get to know each other better, their letters become more personal and intimate. They share their hopes, their dreams, and their fears. They laugh together, they cry together, and they fall in love.
