Steve Bannon

Steve Bannon was Trump's chief strategist during the early days of his presidency. A former media executive and Breitbart News chairman, Bannon was a leading figure in the alt-right movement. He was a key architect of Trump's "America First" agenda and played a significant role in the 2016 election.

Jared Kushner

Jared Kushner is Trump's son-in-law and a senior advisor to the president. He is married to Ivanka Trump, and the couple is often referred to as "Javanka." Kushner has played a major role in the Trump administration, working on a wide range of issues, including foreign policy, trade, and economic development.

Kellyanne Conway

Kellyanne Conway was a senior counselor to the president and a key figure in Trump's 2016 campaign. She is known for her aggressive and often controversial public statements. Conway was a vocal defender of Trump throughout his presidency and was one of the last high-profile members of his administration to leave.

The Policies

The Trump White House pursued a wide range of policies, both domestically and internationally. Some of the most significant policy initiatives included:

Tax Cuts and Jobs Act

In 2017, the Trump administration passed the Tax Cuts and Jobs Act, a major tax reform package that lowered taxes for businesses and individuals. The act was one of Trump's top legislative priorities and was hailed by Republicans as a major economic boost. However, critics argued that the act would primarily benefit the wealthy and corporations.

Deregulation

The Trump administration also pursued a sweeping deregulation agenda, rolling back environmental regulations, financial regulations, and other rules. The administration argued that these regulations were stifling economic growth. However, environmentalists and consumer advocates warned that deregulation could harm the environment and public safety.

Immigration

Immigration was a major focus of the Trump administration. Trump took a hardline approach to immigration, implementing a number of policies designed to reduce the number of immigrants entering the United States. These policies included a travel ban on citizens from several Muslim-majority countries, a crackdown on illegal immigration, and a controversial family separation policy.

The Events

The Trump White House was the site of numerous major events, including:

The 2016 Election

The 2016 presidential election was one of the most consequential in American history. Trump's victory over Hillary Clinton shocked the world and sent shockwaves through the American political system. The election was marred by controversy, with Trump facing allegations of colluding with Russia to interfere in the election.

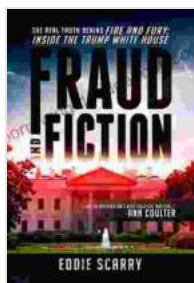

The Mueller Investigation

Following the 2016 election, Special Counsel Robert Mueller was appointed to investigate Russian interference in the election and possible collusion between the Trump campaign and Russia. The Mueller

investigation cast a long shadow over the Trump presidency, with Trump repeatedly attacking Mueller and his team. The investigation ultimately found that Russia did interfere in the election but did not establish that the Trump campaign conspired or coordinated with Russia.

The Impeachment Inquiry

In 2019, the House of Representatives
